

# Local Bus Network Review Consultation

## August 2016

**Consultation – Thursday 04 August 2016  
to Wednesday 28 September 2016**

In 2015 Essex County Council (ECC) began a thorough review of its financial support for those local bus services that it pays for across the County.

This consultation is the start of the second part of the review and looks at 70 services across Essex where the current contract ends in 2017. We have grouped together services by geographical area of the County so it is easy to see whether your service is part of the review.

**We hope you will take this opportunity to comment on your services.**
