

## Service 73 Evening Journeys under contract to Essex County Council

Essex County Council support journeys on service 73 after 2027.

This service is currently not meeting Essex County Council's value for money measure where the subsidy per passenger journey must not exceed £5.00.

As few as **6** extra passengers per day are needed to ensure the continuation of this service.

Essex County Council is working with stakeholders, including Brentwood Bus and Rail Users Association to consider options that reduce the cost of operation.
